Dear Mrs Bromhead

I am writing to inform you of work now underway to establish the Vietnam Veterans Education Centre (VVEC) Washington DC, and to seek your assistance. The VVEC will tell the story of the Vietnam War and is planned to open in 2015. Within it, Australia's story will be told alongside that of the United States of America. The Australian Government has made a significant commitment to ensure that the service of our Vietnam veterans will be recognised in the VVEC, and to ensure that when Americans and others visit, they will also learn of the contribution that Australia made to the Vietnam War.

The VVEC will be a centre for both education and commemoration. It will not only be a building for people to visit, but it will also include extensive Internet based media, that may be viewed from anywhere in the world.

The central feature of the VVEC will be a "Wall of Faces," essentially a photographic Roll of Honour, featuring a photograph and some details of each of the Australian and American service men and women who died in the Vietnam War. To build this, I seek your assistance in helping establish contact with the next of kin who are not known to the Department of Veterans' Affairs. In July 2012, The Office of Australian War Graves (OAWG) wrote to 143 known next of kin, seeking their agreement to the display of a suitable photograph and service details of their family member on the "Wall of Faces." To date, the OAWG has received overwhelming support for the project in the responses received.

We would appreciate your assistance in locating and contacting the families of those servicemen killed in Vietnam, not known to OAWG, to provide a photograph of their family member for inclusion in the "Wall of Faces" memorial. By passing this request on to the relevant parties within your organisation, the 521 Australians who died in Vietnam will be properly recognised in the VVEC for their service and sacrifice.

Attached is a list of the Australian war dead who OAWG do not have next of kin details for, along with an article that OAWG requests be included in your organisations next publication, and if possible on your Website.

Further information regarding the VVEC and the Australian Contribution is available at:

Please contact my office at VVEC@dva.gov.au if you are able to assist me with this matter.

Yours sincerely,

Chris Appleton

Seeking Assistance: Call for Photos of Vietnam Veterans

Planning is now underway for the Australian contribution to the Vietnam Veterans Education Centre (VVEC). The Centre, to be located underground on the Mall in Washington D.C, adjacent to the Vietnam Veterans Memorial better known as "The Wall", will tell the story of the Vietnam War.

The VVEC will tell the story of the Vietnam War and is planned to open in 2015. Within it, Australia's story will be told alongside that of the United States of America. The Australian Government has made a significant commitment to ensure that the service of our Vietnam veterans will be recognised in the VVEC, and to ensure that when Americans and others visit, they will also learn of the contribution that Australia made to the Vietnam War.

The VVEC will be a centre for both education and commemoration. It will not only be a building for people to visit, but it will also include extensive Internet based media, that may be viewed from anywhere in the world.

The central feature of the VVEC will be a "Wall of Faces," essentially a photographic Roll of Honour, featuring a photograph and some details of each of the Australian and American service men and women who died in the Vietnam War.

The Office of Australian War Graves (OAWG) is currently searching for the families of those who died in the Vietnam War, in order to obtain suitable photographs to be included in the "Wall of Faces." In July 2012, OAWG wrote to 143 known next of kin, seeking their agreement to the display of a suitable photograph and service details of their family member on the "Wall of Faces." To date, the OAWG has received overwhelming support for the project in the responses received. If you are able to assist in this search for the families, or you possess a photograph of a Vietnam serviceman whose name appears on the Roll of Honour at the Australian War Memorial, please email the OAWG at VVEC@dva.gov.au. Alternatively, please pass this request on to others who may be able to assist. Our aim is to ensure that our Vietnam War Dead are properly recognised in the VVEC. Any assistance you can provide would be gratefully received.

While enlistment photos are available for most of these men, OAWG's preference is for other, better quality images. These may be from prior to enlistment or taken whilst in service, in uniform or civilian dress. Each family's preference for the image of their serviceman is our first consideration. All photographs provided to OAWG will be treated with care and respect, and will be returned to the owner as soon as is possible.
