

RED SHIRT FRIDAY

REMEMBER OUR TROOPS TODAY AND ALWAYS

The Red Shirt Friday Group was started to raise awareness through the community of the sacrifice made by our Defence Force.

The practise of wearing Red shirts is done in many of our Allied Countries, and raises funds to assist their Soldiers. It is now time for us as Australian's to get behind our Troops and show them the support they deserve; all proceeds will be directed towards Assistance Dogs for Young Veterans.

Young Veterans that are suffering both Physical and Psychological Disorders are receiving great benefits by having an Assistance Dog. It allows them to become part of the community again. Please show your support, and assist our Veterans by purchasing and wearing a Red Shirt on Fridays.

The colour Red symbolizes the blood of the soldiers that have sacrificed and are willing to sacrifice their lives for the cause. We ask that you purchase a shirt to help spread the message that we are behind our Troops. Both Serving and those that have Served.

We have: - T shirts **Men's** small to 4XL **Ladies** sizes 8-22 **\$20.00**
Polo Shirts **Ladies** sizing 8-22 **Men's** small to 4XL **\$30.00**
Windcheaters are unisex size small to 4XL **\$35.00**
Children's sizing is also available. **Cost of Postage on application.**
