

SECOND CALL!

Calling all Vietnam Veterans: Your Museum Still Needs Your Help

Thanks to the Vets and others who have donated so far, but we need everybody on board as we aim to cover our legal costs of around \$140K at the Victorian Civil and Administrative Tribunal

There are over 40,000 DVA

Vietnam Veteran and family clients.

If just a third of that number donated \$10, or more if you can afford it, we reach our target. So far, only about **1500** Vets and others have answered the call.

So please join me and get some skin in the game, get on facebook, ring your mates, unit associations, coffee clubs, grey nomad groups, social clubs, RSL Sub-Branches and get them involved in
