

## *VCAT FINAL CALL 4 APRIL 2023*

### *Calling all Vietnam Veterans: Your Museum Still Needs Your Help*

*Thanks to the Vets, others, unit associations, and ESO's that have donated so far. The VCAT hearing is over, and we now wait for decisions. **To date around \$40K has been donated, so we need EVERY VET** who can spare \$10 or so to get on board.*

*There are over 40,000 DVA Vietnam Veteran Clients*

*To date, just 1700 individual vets/partners have donated, along with the other organizations representing their members.*

*Maybe our expectations of support for YOUR Museum were too high. Again, grateful thanks to those who have supported the appeal, but **PLEASE**, to all the other vets who have not contributed, can I call on you and your mates for one last effort?*

**Every cent raised goes to the VCAT legal costs, now around \$180K** Donations are tax-deductible. Direct debit to the museum as follows:

Nvvm Trading Account Bendigo Bank BSB: 633 000 Account: 149 738 577

Identify the donation as "VCAT FUND" along with your name.
